

ALTONA

491-01-VB

Towing the line between traditional and contemporary styling, Altona makes a restrained, luxe statement. The traditional torch silhouette allows the distinctive mix of materials to shine in this versatile sconce. Juxtaposed with natural alabaster, the vertically fluted Vintage Brass detailing and matching shade results in varying light effects.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
